

ARE YOU SKEPTICAL?

Are **reason, science, education, critical thinking** and **common sense important** to you? Then you should subscribe to **The Skeptic**.

The Skeptic investigates pseudoscience and paranormal beliefs and practices from a rational and scientific perspective. Sometimes humorous, often sobering and always fascinating, The Skeptic is published quarterly in digital and hard copy formats.

Post or **fax** this form, **phone us** or visit **www.skeptics.com.au/shop**

... and while you're at it, take advantage of our **new feature** – subscribers who choose the **hard copy** format can also get the **digital** version for **Free!**

Tick the box on this form or **online**.
